

# Carlisle Trendsetters Guide ~ Thursday July 10<sup>th</sup>

Previous race trends (2015-24) can often help provide a short-list of potential winners in the current year's races. No meeting in 2020 due to Covid. The percentage figure after the race details is the favourite's 'strike rate' in the race for the last ten years. Trainers who have won the race before are also highlighted if they had an entry at the overnight declaration stage. Drawfacts comments show the past record of winning stalls in the race – stalls divided as low-middle-high.

In handicap races horses that have previously won off the same or higher rating are flagged as 'well handicapped'.
