

## GLORIOUS GOODWOOD - 10 YEAR TRENDS

A brief summary of key trends is detailed below for each race over the five-day meeting. Trends alone will not usually find winners but they may help you to draw up a short-list and then use your own skill and judgement to find that elusive winner! The figure after each race name/detail is the favourites win rate e.g. 5 wins in 10 years = 50%. The main race of the day is also highlighted. The Drawfacts given assume the stalls are split into three parts ~ low/middle/high. For fuller details of the draw effects please use the N&M Racing Club Drawfacts Data website [www.northernracingclub.com](http://www.northernracingclub.com)

### TUESDAY – UPDATED IN 2023

**5F HANDICAP (0%);** New race in 2015. All seven past winners finished no better than 5<sup>th</sup> LTO although five had at least one win from their last six runs. All were easy to back at odds of 13/2 to 33/1. Also all carried a weight of 9st or less. Ages of past winners were 4-7yo. John Quinn has trained 3 winners since 2017 and sends out *Lord Riddiford* again this year who is seeking a hat trick of wins in the race and is now 3lbs lower in the ratings than when winning in 2022. Draw: Low 37%; Middle 50%; High 13%.

**6F MAIDEN FOR 2YO (35%);** Apart from three debutants all other past winners finished 6<sup>th</sup> or better LTO within the last 9-67 days. No past winners had run more than twice before ahead of winning here. Whilst there was a surprise 100/1 winner in 2017, all others had odds of 15/2 or shorter. Draw: Low 50%; Middle 30%; High 20%.

**1M 2F 'CHESTERFIELD CUP' HANDICAP FOR 4YO+ (40%);** 4yo have the best record with 6/10 wins with all other winners aged 5yo. C & M Johnston are leading trainers on 4\* wins – all had odds between 5/1 and 14/1. A key form factor is sometimes a 14<sup>th</sup> placed finish or better in York's John Smiths Cup 17 days earlier with four of the last ten winners meeting this criteria. Draw: Low 40%; Middle 20%; High 40%. \*8 combined career wins.

**(GR 2) VINTAGE STAKES FOR 2YO OVER 7F (70%);** A P O'Brien has won 3 times (in 2014, 16 & 20). The last ten winners had finished either 1<sup>st</sup> or 2<sup>nd</sup> on their last run. Stall 7 has provided three of the last six winners, albeit usually in a slightly larger field. Only one of the last ten winners had odds greater than 9/2. Draw: Low 20%; Middle 40%; High 40%.

**(GR 2) LENNOX STAKES OVER 7F (40%);** Last ten winners aged between 3-7yo with 4yo faring best with 5/10 wins. All winners since 2013 had finished 4<sup>th</sup> or better on their last outing. *Kinross* won the race in 2021 and is seeking another win – however no 6yo has won the race since 1997 (when my records commenced). Apart from the shock 50/1 winner in 2017, all others since 2013 had odds of 12/1 or shorter. Draw: Low 20%; Middle 50%; High 30%.
